

All Around the Neighborhood

A Sampler Quilt

All-American Home

Finished Size:
8" square
Make 1

Materials

Note: First see the "Materials for All Around the Neighborhood" student handout for specific yardages of blue for the sky, white for any trim or doors, yellow for the windows, and green for the grass for the complete quilt.

For this block, you will need the light blue background print, white, pale yellow, and green, plus assorted scraps for the remaining pieces in the block.

For the house, you will need a 6" x 8" scrap.

TEMPLATE PRINTING INSTRUCTIONS

Be sure your printer is set up to print at 100% –not scaled or reduced to fit.

Note: If you are printing the templates on your computer, send the template page(s) to the computer. When the "Print" menu appears, locate the "Page Scaling" option box. If 100% or None is not selected, discard any already printed template pages. Then select 100% or "None," and send the template pages to the printer again to print accurately sized templates. Cut-size measurements are included with the templates so you can check them for accuracy.
